

Di-O-Matic receives ultimate compliment: Animation Magazine's seal of excellence for Facial Studio

Montreal, Qc – June 12, 2002 – Di-O-Matic is very proud to announce that it has received Animation Magazine's Seal of Excellence for its major product, Facial Studio.

Animation Magazine, in its June 2002 issue, publishes a very favorable and flattering review of Facial Studio. It also pays the ultimate compliment to our facial animation product by stamping it with their Seal of Excellence. The entire animation industry has a lot of respect for Animation Magazine's opinion and this prize will certainly have an impact on Facial Studio's brand awareness and sales.

"It is a great honor to be a part of the select group of products that receive such a distinction", Head of Business Development, Martin Bergeron said. "With Facial Studio, we really tried to create a product that was easy to use and that tackled a multitude of our customer's needs at once. Obviously, **Animation Magazine** thinks we did a great job and we thank them for that recognition", concluded Mr. Bergeron.

Facial Studio is available through most Discreet product distributors and resellers or directly on Di-O-Matic's corporate web site at www.diomatic.com Priced at \$US 699, it promises to reach a large audience from major studios to independent creators.
