

## Get an in-depth training with Di-O-Matic's release of 'Teach-O-Matic : 3ds Max Fundamentals

**Montreal, Qc** – June 26, 2002 – Today, Di-O-Matic announces today the release of its latest installment in the Teach-O-Matic series. This new interactive training CD is called **Teach-O-Matic : 3ds max Fundamentals** .

As its name implies, it is geared towards those who want to learn the basics of the most popular 3D platform on the planet. Beginners, students and neophytes alike will find this CD the most useful, complete and simple learning tool available on the market.

“Our CDs so far were geared towards a more sophisticated segment of 3D professionals who wanted to learn all the intricacies of 3ds max or Character Studio”, says Discreet Training Specialist and President of Di-O-Matic, Laurent M. Abecassis. “Yet we knew that there is constantly a flow of new people wanting to learn how to use 3ds Max. **3ds max Fundamentals** is the complete course that I teach to students in their initiation class (3D Max 101, if you will) and much much more”.

**Teach-O-Matic : 3ds max Fundamentals** is available through most Discreet product distributors and resellers or directly on Di-O-Matic's corporate web site at [www.diomatic.com](http://www.diomatic.com). Like every other CD of the Teach-O-Matic series, it is available in English or French for only \$149.00.
